Brake Drums and Shoes

for Passenger Cars and Light Commercial Vehicles

Juratek have been manufacturing superior braking products for over 20 years and is well known across Europe as a leading distributor of quality braking solutions.

Based on the success of our braking programme, we have now added a range of popular brake shoes and drums.

Manufactured to high standards of quality, durability and in-service performance. The Juratek range of brake shoes are fully certified to ECE Regulation 90 and their overall performance is fully comparable with OE grades, even in the most challenging conditions.

The range carries Juratek branding, part number identification, date coding, friction material classification and R90 markings.
